- Due to the short week, there will not be a spelling test or a reading log for the week.

- Mid-quarter reports will be sent out via email later tonight.

- We are collecting non-perishable food items for Second Quarter's offering. These items will be used to put together food baskets by the St. John's Stewardship Board. Any donations can be put in the food drive box in our classroom. Please check for expiration dates on items donated to the drive. Thank you for your donations.

- Please use the Sign-Up Genius link sent in an email from Ms. Heins to sign up for the Christmas Program.

- Please check with your child to see if he or she needs pencils or erasers.

- Continue reviewing and practicing multiplication facts with your child at home. Multiplication facts are a part of the upcoming math chapter on area and knowing the facts will make division much easier in upcoming chapters.

- As we move into the winter season, please make sure that your child brings appropriate outdoor gear such as coats, hats, and gloves/mittens. We will go outside whenever it's possible.
