Fundraisers in October

Art to Remember-

Please consider purchasing a creative art piece your child/ren created. These make great gifts for Christmas. Get some shopping done early!

Elegant Farmer Pie Sale-

Fall is here! We are going to ring that in with an elegant farmer pie sale. Watch for forms to come out on October 13. Please consider selling or just buying one for yourself. Every sale helps us provide money for programming and events.

For every item sold, your child will be entered in a raffle to get the chance to put a pie in Mr. Charpentier's face!

Spirit Run

What a fun event for the community to come out and support! We had around 200 people registered that either ran or walked. Thank you to everyone who came out and supported this event and volunteered to help. St. John's tied the Montessori School for the spirit award for most participation! A special thank you to Kara Kading for her hard work in coordinating this event. This would not have happened without you!

Coming Soon

Our shoe recycle program will be kicking off in late October. Please watch the weekly newsletter for the flyer and information on where the collection box will be. Start saving your gently used shoes; ask your family and friends for theirs too! We earn money for each pound of shoes we collect while being able to help others.

The Vote is In!

Thank you for your feedback on the allocation of excess funds raised by the PTL. The results of the survey, in order of votes, were as follows: 3D Science Printer, chromebooks, music equipment, electronic sign for school.
