May 2017
4th Grade
Newsletter

Hello! This will be my last newsletter for the year. I've enjoyed working with your children this year. It was wonderful seeing so much improvement over the year. You should be happy about the work your child has done.

Attached are the **book orders**. They should be returned to me by **May 12th**. This will be the last book order for the year. Remember you can also order on-line. I have a link from the 4th grade page on our school website.

Also attached is an informational letter for our **Madison trip**. We will be going to Madison on Tuesday **May 30**. We will leave at **7:00 a.m.** and return at **4:15 p.m.** Students should be at school at **6:45 a.m.** All parents are welcome to ride the bus with us there. You are more than welcome to drive on your own if you want.

I'm also looking into taking the class on a couple of smaller field trips. I will inform you by email when the trips will take place.

The last day of school is Wednesday, May 31. The last day is a full day of school. The closing chapel and awards will take place on this day also.

Topics to be studied:

- Religion-new testament stories
- Math-perimeter and area
- Reading-Theme 4
- Language-punctuation/sentences
- Science-planets
- SS-Wisconsin History/Capitol

Questions to ask your child:

- How many degrees are in a circle?
- What facts have you learned about planets?
- What were the disciples doing when Jesus was praying in the Garden of Gethsemane?
- What is something interesting you have learned about the president you are researching?

Points to Ponder:

- Temptation, unlike opportunities, will always give you a second chance.
- All success worth having is founded on Christian rules of conduct.
