\*\*Green Meadows field trip will be on Tuesday, May 21.

We will need parent drivers. The number is unlimited, but you will have to pay \$12.

## Literacy

In reading we read the biography, *A Dog that Dug for Dinosaurs*, which was about Tray and Mary Anning who dug for fossils. We completed a trifold of questions which helped us better understand the story. Suffixes were introduced. Our creative minds were put to work this week! We each started our own Ten Black Dots book.

## Math

We have been reviewing money, but our main focus is on time. This week we learned about the hands, as well as telling time to the hour, half hour, and five minute intervals.

## Science

Landforms is the unit we started this week. We specifically learned about plains and deserts.

## Religion

What a great way to begin the week back from break than with the story about Jesus rising from the dead! We also read about Jesus appearing to the disciples and Thomas.

## Art

With the weather getting warmer, we made birdhouses for our feathered friends!
