THIS WEEK AT ST. JOHN'S

Happy Friday, Cougars!

As Teacher Appreciation Week comes to a close, it is an appropriate time to acknowledge the incredible work of our teachers, from those who work with the littlest of our students to the ones who manage our middle schoolers. It is my distinct privilege to work with them and watch the amazing work they do with our students each day. God has truly blessed St. John's.

School is starting to wind down, with only 9.5 days left in the 2024-2025 school year! There are a lot of busy activities in the weeks ahead, so please read the newsletter carefully and watch for communication from your child's teacher as to how you can get involved to make these weeks as successful as possible.

Blessings on your weekend. And a happy Mother's Day to all of our families!

-Ms. Heins
