Upcoming Week Reminders:

Monday, April 12 -Friday, April 17 NO SCHOOL

Literacy

_____ Due to a short week we tried to tie up some loose ends. This included our prefix packet! Learning about a frog's life cycle and constructing a flap book was a continuation from last week's story. We also practiced formulating a strong paragraph by writing about where we would want to go for spring break.

Math

_____ This week we used our money skills to solve word problems and continued to practice counting money with a "money egg hunt." When we return from break we will be "opening" an ice cream shoppe where the students have to buy their toppings.

Social Studies

We learned how to be good consumers. Depending on our choice, we have a positive or negative outcome.

Religion

Jesus in Gethsemane and Peter denies Jesus are two stories that show God's love for us through Jesus' fulfillment of His plan of salvation, through Jesus' suffering, death, and resurrection.

Art

We made flowers for our back bulletin. Welcome spring!

TAUGHT IN TRUTH

"Lead me in Your truth and teach me, for you are the God of my salvation: for you I wait all the day long."

Psalms 25:5
