Hello! I pray everything is going well with you.

We will be having a small **Valentine's Party on Friday, February 14**. Please have your child bring a valentine for each child in the class close to that day. We have 22 students in the 4th grade, and a student list is attached to this newsletter. If there are any parents that would like to bring a drink or small treat for the party, please let me know.

**Kids Heart Challenge** will take place on Friday, February 13 in the morning. Watch for announcements in the school news. Students can bring shorts/shirt to change into. We encourage students to dress in red.

If you want to plan ahead, our 4th grade trip to Madison is Thursday, May 29. All parents are welcome to attend.

### Questions to Ask Your Child:

- What is the difference between an invertebrate and a vertebrate?
- What was one miracle Jesus performed?
- What does an adjective describe?
- What is  $87 \times 32$ ?

### Points to Ponder:

- Truth is the standard of excellence.
- Faith sees the invisible, believes the incredible, and receives the impossible.
