PTL Volunteers

The PTL is a team effort, and we cannot succeed on our own. There is great opportunity for growth in our PTL organization this year, and we would like you to consider helping by volunteering, supporting the fundraisers, attending meetings and continuing to pray for our PTL. Please contact the PTL to volunteer or consider coming to a meeting to learn about the various opportunities available!

Remember to turn in your volunteer forms!

PTL Programs & Fundraising

The primary objective of the PTL is to provide our school with funds, programs, resources and services that will enhance the education of every child and benefit the school. To meet this important objective, we hold several fundraisers and programs throughout the school year.

Fundraising from last year provided just over \$5,000.00 to the Science Lab Renovation.

A special Thank You!

Thank you to Mr. Charpentier for making the arrangements to have Chay's Tae Kwon Do come to school. All money raised for this after school program is donated to the PTL.

What a great experience for our kids and the school!

Thank You – Mr. Charpentier!

Dining Out Update: Thank you also to everyone who supported our first Dining Out night at Culver's – we received a check for \$190 and a really nice Thank You Note! They really appreciated all of our business!
