The first PTL meeting was held late August along with the Ice Cream Social. Thank you to Jill Hasseldahl for coordinating this event! During this meeting the annual PTL budget was discussed and passed. The faculty was presented with their "classroom gifts", a small monetary award which they can use for purchases to enhance their classroom.

Chili in the Woods: A huge thank you to Crystal Kristiansen for organizing this fun family event held October 1 at Petrified Springs Park. We appreciate all the volunteers who came that day to help make sure this event ran smoothly – it would not have been possible without you! We were blessed with amazing weather, good food and fun for everyone in attendance.

Family Events: Each year PTL sponsors 1-2 family events. This year, our family event was "Chili in the Woods". (The very popular PTL sponsored father daughter dance is held every other year.) The remaining budgeted activities for the school year will focus on activities/events that take place during the school day – including "Field Day", in celebration of the end of the school year.

Ice Cream Truck Sales:

The students enjoyed a tasty celebration to end of the first quarter! Thank you to Amy Salinas and volunteers for organizing. Offered again this year was the choice to pay in advance for the entire school year.

Staff Appreciation:

PTL sponsored a fall breakfast to celebrate our entire faculty and staff. Holiday plans are underway – watch for a volunteer sign up if you would like to help!

PTL Up-dates:

- Please watch for important communications from PTL to come via EMAIL.
- Please consider helping PTL. We appreciate as "little" or as much time as you would like to volunteer. We are always looking for feedback and new ideas – please reach out to Amanda or Tiffany with anything you would like to share!
