PTL 2021/2022 School Year Committee:

The fun of PTL never seems to stop! As we conclude this unique school year and reflect on the many blessings God has bestowed upon us, we also look forward to the possibilities the next school year holds. If you would like to join the PTL and be considered for one of the six positions on the committee, please reach out to Amanda Kotowski and Amy Salinas.

Tentative discussions for next year's PTL board will start this summer. For those who would like to help with planning for next school year, please submit your name (or ideas) as well. There are opportunities to be involved on a variety of different levels!

Teacher Appreciation Week: St. John's is truly blessed with an amazingly talented and dedicated staff! PTL celebrated our extraordinary staff every day this week. Activities included a snack bar, specialty drinks from Mocha Lisa and a taco bar from Jose's Blue Sombrero. Thank you to Crystal Kristiansen for her help in organizing!

Lutheran Schools Week: PTL sponsored "breakfast" for the entire school on 5/10/21. Each student received a donut from O&H and orange juice. Thank you to Amy Salinas for organizing!

Field Day: Thank you to Melissa Mang and all the volunteers who helped make this event a success! The entire school was able to participate in the fun which included activities set up at the beach, outside of school and inside school as well as an art project. In addition, PTL sponsored a hot dog lunch and an afternoon frozen treat for the entire school. It was an enjoyable way to celebrate a successful school year!

Spirit Wear: Thank you to Amber Lynn-Yohn and Amy Salinas for organizing. We would love to hear feedback on the products that were ordered as well as "requests" for items that people would like to see. PTL will plan to have an additional sale this upcoming fall with a variety of cold weather items added to the selection.

End of Year Budget Up-date: Thanks to our school families, as well as support from the St. John's Lutheran congregation, our end-of-the-year budget numbers are good. PTL was able to increase our budget for Field Day, allowing us to provide lunch for the school. Excess money raised (~ \$2000) will be donated directly to the science lab.

PTL Up-dates:

- Spring scholastic Bookfair: This was our most profitable bookfair to-date! Thank you to Diane Schweitzer. All money raised goes to support the school library.
- Fundraiser Up-dates (estimated profits):
 - Dine out nights: \$2200; Thank you to Shvaughn Paulick for organizing!
 - Mileager's Money: \$725
