

**CONGRATULATIONS
CLASS OF 2020!**

Enjoy summer break and stay safe.

PTL 2020/2021 School Year Committee:

The fun of PTL never seems to stop! As we conclude this unique school year and reflect on the many blessings God has bestowed upon us, we also look forward to the possibilities the next school year holds. If you would like to join the PTL and be considered for one of the six positions on the committee, please reach out to Amanda Kotowski and Janet Pesch.

Tentative discussions for next year's PTL board will start this summer. For those who would like to help with planning for next school year, please submit your name as well. There are opportunities to be involved on a variety of different levels!

Keep up to date on PTL Events

Please "like" the St. John's Facebook page where we post upcoming events and updates:
<https://www.facebook.com/stjohnsracine.org/>

Another way to keep up to date is on the school's website: www.stjohnsracine.org

PTL Contacts:

Amanda Kotowski

Janet Pesch
pesch@stjohnsracine.org

Teacher Appreciation:

"Thank you for making this year so much "s'more fun" – This was the fun theme for the gift baskets put together for the faculty on behalf of the PTL earlier this month. St. John's is truly blessed with an amazingly talented and dedicated staff!

"An Experiment in Fun" Online School Auction:

Thank you to Cara Shaffer for her hard work in organizing this event along with committee members Shvaughn Paulick and Melissa Mang. As you may remember, PTL was planning to host a Wine/Beer tasting event in conjunction with the school auction in April. Due to COVID, this event was canceled leaving us with a wonderful variety of donated items. Thank you to all who joined in this event. All the funds will be donated directly to the science lab!

End of Year Budget Up-date:

The fourth quarter certainly did not end the way we intended. We look forward to rescheduling anticipated events from this spring to next school year including activities such as the Glow Event, Silent Library and book fair. In addition, we missed out on planned fundraising opportunities including our wine tasting event, Mileager's money and two additional dining out nights.

Despite these unanticipated changes, our end-of-the-year budget numbers are good. While there are a few finalizations to be made, PTL anticipates being able to make an approximate contribution of \$3000 to the science lab (in addition to money raised from the online auction). Thank you to everyone for your support!!!

PTL Up-dates:

- Fundraiser Up-dates (estimated profits):
 - \$361 at Jose's Blue Sombrero dine-out nights
 - \$1788 from DeRango's pizza sale
