Thumbs up for your amazing actors and actresses! Your second grader did an amazing job with the Tacky the Penguin performance! I am so proud of them! Thank you so much for joining us on Thursday night. It was great to have so many supportive family and friends come to the play. I know it meant a lot to your second grader.

*Friday we enjoyed Kohl's Wild Theater which was called Monkeys in the Middle.

Literacy

This week we were very busy practicing our play and performing for the third and fourth graders. We also continued with our biography unit by putting dates about George Washington in order and then formulating a paragraph with the information that was provided. We practiced using the order words that we used in our leprechaun writings. Due to some very challenging words for this week, we did a lot of spelling practice.

Math

In math we are focusing on how to add 3-digit number with and without regrouping in the ones and tens. Word problems when we have to determine if we need to add or subtract was a challenging skill which will be continued when we return.

Religion

We completed our pages from last week about Elijah and the Widow. During snack we watched videos about the importance of being happy with who we are and that God loves us unconditionally.

Art

We decorated our handprints for our school auction project. Mrs. Austin is kind enough to be in charge of our project this year. Many thanks!
