Special Notes and Reminders

Thank you to those who donated to the Global Kids Mission Fund. The class collected \$194.13!

- A paper copy of the Third Quarter report cards was sent home today. Please sign the report card envelope and return it to school.
- **Geography Quizzes:** We will have geography quizzes on the oceans, continents, and 50 states during 4th Quarter. We will begin with the 5 oceans. Your child brought home a map with the five oceans labeled and marked. They should learn the location and the name of each ocean. They should

know how to capitalize these proper nouns and be close in the spelling of the names. They will be quizzed on the oceans on Friday, March 27. **Please remind your child to bring their world map back to school next Friday so we can add the continents for the following week.**

- As a culmination of our Social Studies unit, I would like to try something new. I thought it would be fun to have a multicultural party on Monday. We would have a multicultural potluck, play mancala, and listen to music from other cultures. I would like to give students an option to bring some kind of cultural food to share with the class. Please keep in mind the numerous options we might have and plan just enough for a bite-size or small single portion for each student.

If you can provide a food, a drink, or a mancala game, please sign up using the Sign-Up Genius link or email me by 7:00 p.m. on Sunday.
