### **Special Notes and Reminders**

- Your child's first Reading Log is attached to the pack. It is due on Friday, August 29. If the week's reading log is lost or ruined, a blank reading log template can be found on the class website under the Homework heading. If you are unable to print it out, the log can also be recorded on another piece of paper.
- There will be a pretest for Spelling on Wednesday. Students who spell all the words correctly on the pretest do not have to take the final test on Friday. If your child is a Star Speller for the week, and email will be sent to you.
- If you still have forms to complete and return to school or need to buy your child an assignment book, please do so by Monday.

- As we begin our Social Studies and Science units, an outline will come home in the Home Folder. Your child can use these outlines throughout the unit to review and study what we have learned and the vocabulary words for the unit. Vocabulary words are always on the tests. We will complete the outlines together in class. They should NOT fill in the sections we have not covered in class. Please remind your child to bring the outlines back to school each day during the units.
- If your child enjoys writing, consider having them participate in the Lutheran Schools Pen Pal Project. This is a program that will match your child with another child with similar interest from another LCMS school. This is an optional activity in which your child may participate. Attached to the pack is a registration form with additional information.
- Attached to the pack is an RLHS sports pass. The pass grants free admission for one grade school student into all home, regular season events during the 2025-2026 school year. The first home football game is tonight!

**Worship with your family each week! Worship services are currently held on Sunday at 9:00 am and on Wednesday at 6:00 pm.**
