Special Notes and Reminders

- Especially at the beginning of the school year, please help your child remember to bring their **Home Folder and Assignment Book** back to school each day. With your help, I hope that they will be able to get into that routine and practice on their own. These are things that we use every day to keep us organized.

- The first Science test is next week. Vocabulary words for Science and Social Studies are always on tests. They are marked on the outline with three asterisks (***). The outline is the best resource to use to study for tests.
- During chapel each week, we collect an offering. The offering collected during the first quarter will go to Journey's Lutheran School in Hales Corners (formerly Lutheran Special School). Last August, the school was severely damaged by the floods that affected the area. The offering will go towards their recovery efforts. Please consider sending a chapel offering with your child on Wednesdays.

Worship with your family each week! This is the last weekend at St. John's for our summer worship schedule. This weekend there is a worship service on Sunday at 9:00 a.m. After Labor Day, there will be two worship services on Sunday at 7:45 and 10:15 a.m. with a Wednesday night service at 6:00 p.m.
