December Newsletter 4th Grade 2018

The 4th grade class has been asked to donate coloring or activity books for Project Magi. The dollar store would be a great place to buy them.

Happy Holidays! It's hard to believe that in about a month Christmas will be here. Everything is going well in the fourth grade. I would like to thank you for coming to the parent-teacher conferences. I enjoyed talking to all of you.

I would like to thank our room parents, Mrs. Schweitzer and Mrs. Knoell, for bringing snacks for the Harvest Party.

Included with this newsletter are the **book orders**. Please have them returned to school by **Friday, December 7**.

The **class Christmas party** will be on Friday, December 21. There will be **no student gift exchange**.

Just a reminder that the 4th graders will be going to see **"A Christmas Carol"** at the Racine Theater Guild on **Monday, December 17**.

The **December Reading Log is attached** to this newsletter. It is due on December 21.

Since we have been in school a few months now, some of the children's school supplies have run low. Can you check with your child to see if they need any paper or pencils?

*Note: The 1st-4th grade Christmas program is on Wednesday, December 12 at 7:00 p.m. Please let me know if your child will not be participating.

*Remember to have your children study multiplication and division facts and read over Christmas break.

Topics to be Studied:

Religion: Life of Christ

Math: factors

Social Studies: regions of the U.S.

Science: animals and plants

Language: mystery story/adjectives

Reading: "American Stories"

P.E.: jump rope and basketball

Questions to ask your child:

- *What did Martin Luther post on the Castle Church doors?
- *If you have \$10.00 and spend \$5.72, how much change will you get?
- *Name one proper noun and one common noun.
- *What part of an atom has a negative charge?

Points to Ponder:

- *I am God's melody of life...He sings His song through me.
- *The more we love each other, the closer we come to God.
