## Literacy

We read Mr. Tanen's Tie Trouble and continue to work on our comprehension skills. Homophones were our focus for the week as well as syllables. When to double the consonant when adding -ed or -ing was also practiced. Our prefix for this week was "re." More practice with this prefix will continue next week. In writing, we brainstormed why various animals in pictures were cranky. This will lead into our new writing piece for next week.

## Math

We began subtraction with and without regrouping. Next week will be our last week of mixed addition.

## Science

This week we learned about air and water pollution.

## Religion

In the story about Jesus healing The Ten Lepers God shows us His love by displaying the power of His son to heal and forgive our sins.. From reading Jesus brings the Widow's Son to Life, we are given a sign of Jesus' compassion. It proves that Jesus is more powerful than death and the grave.

## Art

We did a directive drawing of a cardinal.

## Secure in Your Arms

*The Lord is my light and my salvation; whom shall I fear? The Lord is the stronghold of my life; of whom shall I be afraid?" Psalm 27:1*

*SJL Mission Statement: Preparing and educating God's children for life-long learning to Christ.*
