

Second Grade Newsletter

Week of January 13 , 2025

The purpose of this newsletter is to provide you with some insight as to what is happening in our busy second grade classroom. If you have any questions or concerns please feel free to contact me by phone, email, or note.

Upcoming Week Reminders:

Monday	January 20	PE
Tuesday	January 21	Memory
Wednesday	January 22	Chapel
Thursday	January 23	Library
Friday	January 24	PE math and reading logs due Spelling/ Fast fact test

Literacy

We reviewed plural noun rules, specifically dropping the f to -ves and irregular plural nouns. With the return from Christmas break, the goal is to encourage more independence when answering questions. With the use of the story, Click clack Moo Cows that Type, the band-aid was slowly pulled off! Complete sentences and proper punctuation will be expected. We can do it! In writing we worked on exact verbs and how they can change the meaning of a sentence.

Math

With the beginning of our subtraction unit, we learned different strategies to subtract fluently. We also learned how to subtract two digit numbers with and without regrouping. Please ask your second grader about our rap!

Science

The rainforest and ocean were discovered!

Religion

This week we read about the 12 disciples and Jesus healing a man at the pool. Once again, we learn that Jesus is powerful and compassionate and cares for all our needs.

Art

We did a direct drawing of a snowman popping out of a present.
