**\*\*Our glue stick supply is dwindling. Please check with your second grader if they need glue sticks.**

**\*\*We will be exchanging valentines and having a party. You can find a class list in the folder.**

On Friday we were able to enjoy Kohl's Wild Theater.

**Literacy:** We began our penguin unit by reading the story *Penguin Chick* which gave us a better understanding of the life of a penguin. With the use of a mini-book, we were briefly introduced to various penguins. We will dive into this next week! We also read the story about Tacky the penguin and discussed the meaning of the words within the story. This was good practice, since we focussed on context clues this week. As we begin our Tacky stories, we will also do the annual Tacky play. More information on this will be coming! In writing, we are brainstorming ways we feel loved and how we can show love to others.

**Math:** We practiced multi-step story problems and reviewed for our unit 6 test. Please notice that there is a small packet to reinforce subtraction with and without regrouping. This is due Friday, February 10.

**Science:** This week we learned about the tundra region.

**Religion:** We are sinful human beings and we should pray for a stronger faith to believe that Jesus can do amazing things in our lives, including forgiving our sins. We read two stories about the miracles of Jesus: Jesus Heals the Paralyzed Man and The Ten Lepers.

**Art:** This week in art we finished our penguin project and put whiskers on our cat.

**“Making Disciples for Life”**

*SJL Mission Statement: Preparing and educating God's children for life-long learning to Christ. (Matt. 28:19-20)*
