URGENT* All of my extra expo markers have vanished. Please ask your second grader if they are in need of this supply. Thank you in advance!

**Lots of information for Tacky the play is in your folder! Please take a look and put it on the fridge!

Literacy

We wrapped up our loose ends from our short weeks. We completed our mini-book about various penguin species which completes our penguin unit.

Math

Due to several short weeks, we are going to repeat week 6 for fast facts. This week we learned about inches, feet, and yards. Writing an equation to compare lengths was also practiced.

Religion

We read two stories about Jesus healing people, Jesus Heals Ten Men Who have Leprosy and Jesus Heals a Man who is Blind. Jesus healed both the body and soul of these men. He does this for us too! He heals our bodies and forgives our sins.

Art

This week we made wobbly paper people.
