**\*No spelling words for next week or reading/math log. We will be continuing with week 8 for fast facts and take the time test on Wednesday.**

## Literacy

This week we read Mr. Tanen's Tie Trouble. We worked on story structure and reviewed compound words. In writing we learned about pronouns and that they take the place of a noun.

## Math

Counting coins (quarters,dimes,nickels,pennies) was our focus for this week. Please practice this skill at home. A small math homework packet went home today. I encourage you to help your second grader as needed. **It is due on Wednesday or before.**

## Social Studies

We practiced using a map grid and a street map.

## Religion

This week we read, Jesus Shows His Glory, and Jesus Raises Lazarus. Jesus revealed His divine nature to his followers when He was transfigured. In the story about Lazarus, Jesus has power over sin and its consequences, including death.

## Art

This week we made shamrocks and blended chalk to outline them. It is actually neater than what it sounds!
