

Second Grade Newsletter

Week of March 24, 2025

E: gasau@stjohnsracine.org

P: 262-488-1869

Upcoming Week Reminders:

Monday	March 31 PE
Tuesday	April 1 Memory
Wednesday	April 2 Chapel
Thursday	April 3 Library
Friday	April 4 PE

****We ALL popped to the top! We will do something special on April 1 to celebrate! New goals are set...Let's Read!**

Literacy

This week we read *Gloria Who Might Be My Best Friend* which led to a discussion about what qualities make a good friend. We answered questions from Gloria's point of view and completed a chart using evidence from the story to help us learn more about the characters. This week we gave special attention to our spelling words and reviewed homophones. Idioms were reviewed and we had some laughs about the literal meanings. We also learned that when we compare adjectives we add -er or -est. In writing, our focus was on singular and plural possessive nouns.

Math

Not only did we practice counting coins, but this week we included counting dollar bills. Adding and subtracting money was also practiced. As a reward for working hard on our money unit, we will be having a sundae bar. Please look for this information in your folder.

Science

We have switched to Science and are beginning our unit on matter. This week we learned that matter is anything that takes up space and has mass. We can describe matter by its properties.

Religion

Our story is a little early compared to our church calendar. We read about Jesus riding into Jerusalem. God shows us His love for us by giving us a king, who saved us.

Art

To welcome spring, we made 3-D kites.
