**\*\*Mark your calendars:** Thursday, May 29 we will be going to Green Meadows. We will be needing parent drivers. There is no limit on how many parents come; however, the cost is \$12. We will be leaving at 9:00 and returning before dismissal. The forms went home on Monday. They are due **Friday, May 9**.

**\*\*In the folder** there is information about our upcoming biography unit. Please talk to your second grader about their person and return **Wednesday, May 7**.

**\*\*Tuesday** we are going to Golden Rondelle with third grade. No chaperones are needed.

## Literacy

In reading we read the biography, *A Dog that Dug for Dinosaurs*, which was about Tray and Mary Anning who dug for fossils. We completed a trifold of questions which helped us better understand the story. Using context clues to help us understand unknown words were practiced. We also finished our prefix book with re-, pre-, and mis-. In writing some of us shared our "what makes us cranky" paragraphs and others had the opportunity to complete their writing.

## Math

This week we focused on recognizing 2-dimensional and 3-dimensional shapes by their attributes.

## Science

We learned about physical and chemical changes in matter.

## Religion

Our Bible stories for this week were *Jesus Dies and is Buried* and also *Jesus Rises from the Dead*. Jesus has conquered sin, death, and the devil. What comfort this should bring us as we continue our sinful lives here on Earth.

## Art

This week we completed our birdhouses which are on display in the hallway.
