

Second Grade Newsletter

Week of May 5, 2025

E: gasau@stjohnsracine.org

P: 262-488-1869

Upcoming Week Reminders:

Monday	May 12 PE
Tuesday	May 13 Memory
Wednesday	May 14 Chapel
Thursday	May 15 Memory/Library (All books need to be returned)
Friday	May 16 PE Reading logs/ Spelling test

READ, READ, READ Please help your second grader read their biography book. They need to know about their person. Some of the books are more challenging, so if they need a boost, have your second grader watch a short video about their person and take notes. We begin our projects on Monday!

****Mark your calendars:** Thursday, May 29 we will be going to Green Meadows. We will be needing parent drivers. There is no limit on how many parents come; however, the cost is \$12. We will be leaving at 9:00 and returning before dismissal.

****This Thursday** will be our last library. Please make sure all books are returned.

****Coming home** is a humpback whale packet. Our presentation at the Golden Rondelle was about these amazing creatures.

Literacy

We took the reading MAPS test. Your second grader did amazing! We also read, Now and Ben. We learned about how things have changed from long ago to now. With the start of our biography unit, we also learned about other inventors. In writing, we reviewed punctuation and capitalization. We also started our unit on adverbs.

OVER

Math

We learned about rows and columns and how to write a repeated addition equation. Dividing a shape into equal shares was also practiced which helped us understand fractions. NO More fast facts for second grade! Thank you for encouraging and helping your second grader learn their addition and subtraction facts.

Science

This is our last week of chemical and physical changes in matter.

Religion

Our Bible stories for this week were Jesus Appears to Mary and Jesus Appears to the Disciples and Peter. These stories share with us the good news that Jesus died to pay for our sinfulness and rose again to give us eternal life.

Art

Thank you moms for all you do! Your second grader is bringing home a gift for you! Please be careful! It is very fragile!
