Last week was our final reading log for second grade.

LAST: Memory: Tuesday, May 20

Spelling test: Friday, May 23

As a reminder, if your second grader has a summer birthday, and would like to celebrate it at school, simply pick a date that works best for you and we will gladly make it a special day!

****Please bring in a shoe box** for our ant unit. We will need it on Wednesday, May 21 for our ant house.

****Mark your calendars:** Thursday, May 29 we will be going to Green Meadows.

Literacy

We started our pizza biographies! It is tricky putting book words into our own words! Your second grader had several categories in which they had to write about. They became very good book detectives! In writing, we continued with our adverb unit. We learned the difference between adverbs and adjectives and then wrote sentences using 3 adverbs of our choice.

Math

Our last math unit is graphing. We did a bar graph, pictograph, and practiced making a tally chart.

Social Studies

We will conclude the year by learning about the three branches of government.

Religion

Our stories for this week were Jesus' Ascension and Jesus sends the Holy Spirit.

Art

This week we made bookmarks for our summer reading!
