**Yesterday we brainstormed what items were needed to make a "room" for an ant. These ideas were written on a piece of paper and sent home yesterday. We have some supplies at school, but please bring any other items on Monday. Some of these items may be glued down, so remind your second grader that the item may not be returned in the same condition it started in. I don't want any special items ruined!

**We will be going to Derango's Chocolate Shop on Tuesday. Please bring in \$3.

Literacy

It was a week devoted to completing our pizza biographies! It was a lot of work, so our pizza party was a great reward! We also practiced categorizing and classifying. This skill really made us think about how words are related.

Math

This week we had fun creating bar graphs and picture graphs. Next week we will be using starbursts to create our own graph.

Social Studies

Mount Rushmore was the patriotic symbol of the week.

Religion

We read about Shadrach, Meshach, and Abednego and their experience in the fiery furnace. These men put their faith in God and He protected them. We also learned about God's servant Nehemiah and how God used him in his role of a cupbearer to a king to help the Jewish people return to Jerusalem. We can trust that God has put us in a place to be a blessing to others!

Secure in Your Arms

The Lord is my light and my salvation; whom shall I fear? The Lord is the stronghold of my life; of whom shall I be afraid?" Psalm 27:1
