Upcoming Week Reminders:

Monday	September 30	PE
Tuesday	October 1	Memory
Wednesday	October 2	Chapel, Music
Thursday	October 3	Memory, Library
Friday	October 4	Spelling Test, Fact test, PE

Literacy

Due to MAPS testing, we did not have a story from our reading book, but instead focused on hard and soft g and when to use "an" vs "a" in a sentence. In writing, we finished our punctuation pocket craft and are learning that a sentence is constructed of a subject and a predicate.

Math

We continued to practice ordering numbers. Looking at patterns and skip counting by 5's and 10's was the goal for this week.

Science

This week we sorted living vs nonliving things.

Religion

In our story, Joseph forgives and God provides, God works to turn evil into good for His people and His purposes. We also finished our story from last week, Moses and the burning bush.

Art

With October just around the corner, we started our monsters! They are all so unique!
