DUE TO A SHORT WEEK, THERE WILL NOT BE A SPELLING TEST OR A FAST FACT TEST NEXT WEEK. HOWEVER, THERE IS A READING LOG.

Literacy

With the use of our story, Super Storms, main idea and finding details to support the main idea were introduced. Much of our time this week was devoted to cause and effect. In writing, we replaced "wimpy" words with stronger words which help us to better visualize the sentence.

Math

This week we practiced drawing arrays and writing a repeated addition equation. We had to understand rows and columns to construct the proper array.

Social Studies

Determining the difference between a good and service and a consumer and producer were the focus for this week.

Religion

Our Bible stories for this week, Instructions for the Tabernacle, and Moses Strikes the Rock, are examples of how God blesses His people and cares for our every need.

Art

In conjunction with our story about storms, we made a thunderstorm windsock.

"Endure"
